NAESP REPORT – STATE REPRESENTATIVE
EXECUTIVE BOARD MEETING
October 19, 2016

Membership Update / Recruitment
• Region Reps can expect lists and contact info for new principals in their area. Please personally reach out to invite them to join their state and national organizations.

2017 NAESP National Conference
• Philadelphia! July 9 – 11
  o The 2017 conference will be a joint conference with NASSP. This is not a merger, but a trial on doing a joint conference to share expenses. It is a financial approach to cut costs and to test the waters.
  o Registration for the national NAESP summer conference will be discounted 100 dollars throughout the entire month of October.
• 2018 NAESP National Conference Orlando, Fl - July 7-10
• 2019 NAESP National Conference Collocated with NASSP in Boston
• 2020 NAESP/NASSP National Conference Gaylord National Harbor July 8-10
• 2021 NAESP National Conference 100th Anniversary Conference in Chicago, IL July 8-10

New Website
• NAESP has a new website to help state reps track memberships but it is still being tweaked.

Zone 7 Request
• Zone 7 is asking that each state donate 1,000 dollars to the zone reception at the national conference. (I believe we spent $750 last year.)
• Curt Seed from Accent Furniture will be donating to this again.
