The person serving their fifth year on the committee will serve as the Lead-Chair. The person serving their fourth year will serve as the Co-Chair. All members of the committee have voting privileges. In the event an NDP is not able to complete their five-year term on this committee, the most recent NDP to go off the committee will be asked to complete that person’s term. If that NDP is not available, the next in line will be asked until the vacancy is filled. If the Vice-President is unable to serve his or her one-year term, the NDAESP President will assign someone to fill in for that year. Awards Committee members are not allowed to make nominations during their tenure on that committee.

C. Practices and Procedural Changes

Practices and procedural changes regarding NDAESP awards and the Awards Committee must have approval from the NDAESP Executive Board. Minor housekeeping decisions can be made within the Awards Committee itself.

D. Nominations Forms-Awards Criteria- Strategies to Seek Nominee’s

The forms used to nominate a candidate and the awards criteria document will be archived by the NDAESP State Editor and will be made available to the Award’s Committee before the September release date. The Awards Committee will utilize the NDAESP List-Serve, NDAESP Website and will share the awards criteria and nominations form with the Regional Representatives in order to seek nominees for each of the awards being given.
F. Award’s Banquet

The Regional Principals of the Year Award and National Distinguished Principal Award will be named at the NDAESP Mid-Winter Banquet each year. The other awards may be given out at other times during the Mid-Winter Conference. A decision regarding when the other awards will be handed out will be worked out between the Award’s Committee chairperson and the Mid-Winter Conference Committee chairperson.

The amount of information shared regarding each nominee will be reflective of the level of the award. Sharing information about each award winner will help give ideas to those who might nominate someone for a similar award in the years to come.

All award winners with the exception of the NDP will be notified that they have won their award as soon as the Award’s Committee has finalized the slate of winners during their December meeting. The rationale for informing the recipients is to help assure that they will be present to receive their award.

The banquet programs are the responsibility of the Awards Committee chairperson. This duty may be assigned to another award committee member. The format for the program will be archived by the NDAESP State Editor and will be made available to the award’s committee in a timely manner. The programs are to be printed in a professional manner that is fitting with this event. The award winners for the current year will not be included in the banquet program. An insert with the current years winners will be handed out at the conclusion of the banquet.

The Mid-Winter Conference Committee is responsible for the setup for the awards banquet. The Awards Committee is responsible for anything having to do with the awards.

The awards committee chairperson is responsible for the ordering of all awards. This includes the outgoing NDAESP President’s award. The chairperson is also responsible for the delivery of the awards to the Mid-Winter Conference site.

G. Awards Press Release-Archive Previous Awards

The NDAESP State Editor will be responsible to archive the names of the award winners for each year. These past winners will be included on the NDAESP website.
