West Fargo:

“The 100% Factor: Ideas for Living for Your Capacity”

Have you ever heard someone say that you have a lot of potential? On the surface, that could sound like a compliment, but when you really start to think about it, what does that say about your current level of performance? If you have a lot of potential, does it mean that maybe someday you’ll live up to it, but it’s not happening now? During this presentation, based on the book by Jodee Bock, you will get some new ideas for infusing more life into your life starting right now, from wherever you are!

Presenter: Jodee Bock

(Jodee will have her book available to purchase.)
